Here are a few guidelines to follow during leaf collection season:

- Place leaves in plastic bags. Paper bags can deteriorate and break apart in inclement weather.
- Keep bags at least three feet away from your trash cart for easy pickup.

Indy DPW anuncia la temporada de recolección de hojas 2024: del lunes 11 de noviembre de 2024 al viernes 6 de diciembre de 2024

El Departamento de Obras Públicas de Indianápolis recolecta miles de toneladas de hojas cada año de los residentes del condado de Marion. Las fechas de recolección de hojas coinciden con la época del año en que se determina que caen más hojas de los árboles.

Aquí hay algunas pautas a seguir durante la temporada de recolección de hojas:

- Coloque las hojas en bolsas de plástico. Las bolsas de papel pueden deteriorarse y romperse con las inclemencias del tiempo.
- Mantenga las bolsas al menos a tres pies de distancia de su carrito de basura para facilitar su recolección.
- Las bolsas de hojas deben estar afuera a las 7 a.m.

- Leaf bags should be outside by 7 a.m. on your normal trash day.

Indy DPW anuncia la temporada de recolección de hojas 2024: del lunes 11 de noviembre de 2024 al viernes 6 de diciembre de 2024

Aquí hay algunas pautas a seguir durante la temporada de recolección de hojas:

- Coloque las hojas en bolsas de plástico. Las bolsas de papel pueden deteriorarse y romperse con las inclemencias del tiempo.
- Mantenga las bolsas al menos a tres pies de distancia de su carrito de basura para facilitar su recolección.
- Las bolsas de hojas deben estar afuera a las 7 a.m.

Al igual que en años anteriores, las hojas recolectadas se llevarán al vertedero del lado sur. El vertedero de South Side no ofrecerá compostaje este año. Los residentes también pueden traer sus hojas a Greencycle. GreenCycle administra una tarifa de \$20 para dejar las hojas, y serán compostadas; sin embargo, GreenCycle no acepta bolsas de plástico. Cortar las hojas del césped es un gran recurso para el mantillo.
