

CONGRESSMAN ANDRÉ CARSON

INDIANA'S 7TH DISTRICT

Congressman Carson helps unveil the "Keepers of Culture" mural in downtown Indianapolis, which pays tribute to Indy's rich African-American history.

My Vision of Service:

It is an honor to uphold my oath to the U.S. Constitution and serve all the constituents of the 7th Congressional District. Together, our office stands for the fundamental values and principles of Indiana: integrity, honesty, compassion, generosity, sensitivity, and freedom.

As your Congressman, I work with everyone to collaborate and lead legislation for the betterment of the American people. And it is with you in mind that I speak up for what is just and in the best interests of all Hoosiers and our nation.

FIGHTING FOR BETTER-PAYING JOBS

Indiana unemployment is at the lowest it's been in 50 years, with 12 million new jobs created in the U.S. in the last 2 years alone. I'll keep fighting for good-paying jobs, workforce training, and more.

PROTECTING MEDICARE AND SOCIAL SECURITY

I voted for the Inflation Reduction Act that capped insulin prices at \$35/month for Medicare beneficiaries. You can count on me to preserve these vital programs.

IMPROVED ROADS, BRIDGES, AND RAIL

Thanks to the Bipartisan Infrastructure Law and my work on the Transportation and Infrastructure Committee, our state will receive billions of dollars for repaving roads, water system upgrades, major transit projects, and more.

BRINGING RESOURCES TO DISTRICT 7

I brought home \$18 million to Indianapolis in 2022 for vital community projects. I'll keep working to support our city's grassroots organizations.

"Over the last 4 years, I've helped bring over \$1.5 BILLION home to Indianapolis for our roads and highways, job training, mental health and addiction services, housing, youth support, and more."
